

RESTORATION TIMBER

Reclaimed Red Oak Flooring

Unfinished Solid | Reclaimed

This Red Oak is reclaimed from old buildings and remilled into wide-plank flooring. Sold in mixed widths to replicate the look of traditional flooring or single width for a more contemporary look. This product offers the superior strength and stability of old-growth wood without the environmental cost. Reclaimed Red Oak's rustic features include knots, insect scarring, nail holes, and areas of weathered patina.
